PROFILE

I have the ability to self-teach to create new ideas. Good communication skills. Experience working with engineering teams as well as external clients on creative levels. Great experience. Proven track record of providing unique and effective content.

Personal Data

Date of birth: Jan 24, 1979
Marital status: Married
Nationality: Jordanian

EDUCATION

◆ **PH.D – Computer Science at the department of Computer networks and networks security of the faculty of computing technologies. (National Aviation University) (2010).**
◆ **Master -** Science Engineering and technology (Kirovograd National Technical University) (2005).

WORK EXPERIENCE

● Chairman of the Department of Library and Information Technology and a lecturer in the same department in the Jordan College of Science and Technology from the date of 01.09.2011 until 31.08.2012.
● Lecturer in the Department of Information Technology and Networking in the College of Grenada from the date of 01-10-2012 until 30- 09-2013 .
● Assistant Professor in the Faculty of Information Technology at the University of Ajloun National Date 01/10/2013, until now

PROFESSIONAL ACTIVITIES

▪ Commission equivalence of diplomas, scientific Committee, social Committee, Library Committee, College representative in the University Council, the Committee of disciplining students, Representative of the Department of Computer Science, the Committee of eLearning, the Committee of Plans Preparation, the Committee to pursue defaulted students, Tenders Committee, Tenders Committee, Ajloun National University.
