## PROFILE

Well organized and creative in accounting, I have published extensively on topics related to accounting, including the impact of social performance disclosure on loan granting decisions and the effectiveness of accounting information systems in Jordanian private higher education institutions. My research has been featured in a variety of prestigious publications, including the International Journal of Accounting and Financial Reporting, the Australian Journal of Basic and Applied Sciences, and the Global Advanced Research Journal of Management and Business Studies.

It is crucial for me to meet students where they are, understand their unique learning needs, and adjust my instructional approach accordingly. I strive to create a classroom culture that values diversity, inclusion, and equity, where every student feels safe and affirmed.
