PROFILE

Working as one team at the university

Benefit from the expertise of the work team

EDUCATION

◆ **PH.D** - Mathematics at the department of Science University of Jordan, Amman, Jordan.(2003).

◆ **Master** Mathematics at the department of Science University of Jordan, Amman, Jordan.(1998).

◆ **Bachelor** - Mathematics at the department of Science Yarmouk University,Irbid , Jordan.(1995).

\

WORK EXPERIENCE

- I worked in The Jadara University as **associate prof** of Mathematics in Faculty of Science and IT from 9-3-2011-1/9/2011
- I worked in The Majmaa University as **associate prof** of Mathematics in Faculty of Applied Science from 4-9-2011-1/9/2014
- I worked in The Irbid National University as **associate prof** of Mathematics in Faculty of Science and IT from 1/9/2014 – 1/9/2017
- I worked in The Irbid National University as **professor** of Mathematics in Faculty of Science and IT from 7/8/2019 – 1/9/2022
- I worked in Ajloun National University as **professor** of Mathematics in Faculty of Science and IT from 1/9/2022 -until now

Personal Data

Date of birth: Feb 23rd, 1980
Marital status: Married
Nationality: Jordanian

PROFESSIONAL ACTIVITIES

- **Reviewer in "Asian Journal of Fuzzy and Applied Mathematics"**
- **Membership of Editorial Boards or Referee ship for Periodical Publications**
- **Benefit from the expertise of the work team**
- I have **supervised more than 35 master's theses** in Functional analysis, complex analysis, and inequalities at Irbid Private University

MOHAMMAD ALJ-HAWARI

جامعة عجلون الوطنية
Ajloun National University

Irbid / Jordan

Mh.hawari@anu.edu.jo

+00962775160796

SKILLS

- Applied Mathematics.
- Approximation Theory.
- Fixed point.
- Inequalities
- Complex Analysis
- Zeros of Polynomials

Languages

Arabic
English.

CONTINUED PROFESSIONAL ACTIVITIES

Membership of Editorial Boards or Referee ship for Periodical Publications As

- IJMR (International Journals of Multi-Dimensional Research ISSN: 2321-1784)
- Journal of Theoretical Mathematics and Application
- Scholarly Journal of Mathematics and Computer Science ISSN 2276-8947"
- Reviewer in Mathematics and Statistics

REFEREED INTERNATIONAL JOURNALS

- WSEAS TRANSACTIONS on SYSTEMS and CONTROL
- "Innovative Journal of Mathematics
- j. Appl. Math. & Informatics,
- Theoretical Mathematics and Applications.
- Far East Journal of Mathematical Sciences (FJMS),

TEACHING EXPERIENCE

- Calculus I,
- Calculus II,
- Intermediate Analysis,
- Foundation of Mathematics,
- Statistic I,
- Calculus III,
- Ordinary Dif- ferential Equations,
- Linear Algebra,
- Number THEORY
- Euclidean and non- Euclidean Geometry,
- Logic and Set Theory,
- Real Analysis I,
- Real Analysis II,
- Complex Analysis II,
- Complex Analysis II,
- Functional Analysis
- Topology I,
- Topology II
